danielgithiomi@gmail.com  
Nairobi, Ngong +254 (KE)

---

High School graduate, currently taking an intensive software development course in Moringa School and very passionate about Information Technology as well as the Tech world. Currently learning HTML, CSS, JavaScript, Angular and Java among other programming languages and self-pursuing building a new application to be implemented in the Hospitality industry. I work greatly under no supervision and deliver above average expected results in time.
